Reasons for comment:

Comments:	<p>20251116 150 houses West of Norwood Lane</p> <p>I object to the proposed development for the following reasons</p> <p>The local road infrastructure will not sustain the additional vehicular capacity emanating from the proposed development. The only routes to a main road are along country lanes onto which public foot paths and residential roads meet. Road safety will be compromised.</p> <p>The development will have a detrimental impact on the local wild life and biodiversity.</p> <p>Local services such as GP's and schools will come under great pressure.</p> <p>There will be a loss of green belt.</p> <p>Other local proposed housing developments, if allowed, will only exacerbate the above mentioned issues.</p>
