Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>A poor location for development with insufficient road links and local public services, which other nearby developments consider. Overlooking properties will suffer a significant loss of market value, as well as a loss of green space and disruption of quiet enjoyment of their homes.</p> <p>Taylor Wimpey is also a notoriously low-quality construction company, with multiple controversies and a character that is wholly out of line with Meopham's rural appeal.</p>

Kind regards
