Reasons for comment:	
Comments:	<p>Total lack of consideration of the already overstretched infrastructure in Meopham . Schools, healthcare and all public services aren't functioning to the benefit of residents already in the vicinity.</p> <p>The wider greenbelt's integrity would be widely impacted.</p> <p>Additional Pollution will be even more damaging to the health of us all during construction and thereafter. Site is very close to schools and a development will grossly impact the health and safety of our children in particular. Already traffic is ridiculously high with jams a regular occurrence.</p> <p>Significant loss of hedgerows therefore massive decline in wildlife habitat.</p>

Kind regards
