Application ref 20230259

49 Marling Way Gravesend Kent DA12 4DW

Erection of a single storey rear extension with internal alterations.

The property is semi-detached and the proposed rear alterations will not be significantly visible from the roadway.

The property has front rooflights (not quite as shown) as do other properties in the area, and the garage has been converted to habitable accommodation with plans showing a tiled roof over (flat roof seen on aerial view).

The Parish Council has no objections to the present proposals.
