Reasons for comment:	
Comments:	I strongly object to this development. It is unnecessary when there are so many houses being built around us locally along the A2. We do not have the infrastructure to support more houses and using our green spaces is not required when there are so many brown field sites and derelict properties in the area. The increased traffic, pollution is also a major concern. Hospitals and gp services cannot cope already. The roads in Istead rise are already busy and local shops are overcrowded with cars, so more will provide an increased risk of accidents. We should be protecting our green and agricultural land not using it for development for profit.

Kind regards
