16th February 2024

Dear Sirs

Re 34 The Braes, Higham, Rochester, ME3 7NA
Raising of existing roof. Ref: GR/2024/0074

With reference to the above planning application, in the Society's view the impact of the extension on the street scene would be significantly reduced if the raising of the flat roof on the extension could be avoided.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
