Reasons for comment:

Comments:	<p>As a person living within this community, with a small family, I feel there is a need for family homes in the area.</p> <p>There is not a lot of choice in this part of Gravesham, with many people living in the village for life. So difficult for families to stay close.</p> <p>The proposed development is collaboration with a local house builder who has created many beautiful developments with character and style which would benefit the village.</p> <p>The development would be near to shops and schools however, it would be great if there could be anything added to the proposed site to create a community feel, for example a coffee shop/hut by play areas etc.</p> <p>I personally would be keen to know how to get an affordable home at the proposed housing site.</p> <p>Happy to discuss further if required.</p>
