Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I most strongly object to any house building in this area. I live on the A227 and have thousands of vehicles passing my house every day. I cannot open my front windows because of the noise, dust and pollution now. It takes ages just to cross the road safely and Culverstone Primary school is just down the road. Public transport is abysmal. We cannot get Doctors appointments easily. We need fields and trees for fresh air. From a green and pleasant land Kent is being turned into a concrete jungle. An emphatic NO to this application.

Kind regards
