## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>The A227 is a narrow A road and when there are problems on the M25 it is used as a cut through from the M20 to the A2 to get to the Dartford crossing and it is often already heavily congested.</p> <p>The planned site is made up of large green fields in a countryside setting. There are sites in Gravesend for example Lord street still not built on which would be more appropriate to build on creating less congestion and disruption to the area.</p> <p>The doctors, schools etc are already over subscribed and this would just be another detrimental affect to the people living in this area.</p>

Kind regards
