## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this application for the following reasons:</p> <ol style="list-style-type: none"><li>1. A227 will not sustain the additional heavy transport during the building phase resulting in further damage and delays on the road.</li><li>2. There will be an unacceptable increase in noise and pollution in the area around the building site and along the A227.</li><li>3. There are insufficient local facilities to support an additional 100 homes in the Meopham area.</li></ol>

Kind regards
