Reasons for comment:

Comments:	I object to the proposed building of 100 homes , Culverstone is a village this would make it loose its identity.Also it would access to a busy Main Road A227, it is used by numerous types of vehicles from daytime to night time as it is a better route especially Heavy goods Needing M25,M26, M25, it floods when there is heavy rain as there is one drainage system There is only one gas supply, One water supply, one sewer ,one surgery that is already over booked .100 homes needs access for 2 cars and building access onto A227. If access is granted it would also lead very nicely to a field as very short distance onA227 to apply for building Very handy as it would follow on from this application This application ,even though its 2nd try must not be approved!
