Reasons for comment:

Comments:

i object.
reasons:
-greenbelt. how can you allow for large scale building on greenbelt. you are ruining the landscape for existing residents.
-its set a precedent for future developers. nothing is off limit.
-additional impact on road use. already traffic is unbearable for residents. its a village. during morning and evening rush hour residents are hostages in their homes.
- increased noise impact
- increase air pollution
-impact on schools and GP services

Kind regards
