Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The reason not the whole of Meopham isn't objecting is because it's so difficult to do not everyone is great on computers we are relying on a very few people putting up link that we can tap and do it easily why not try asking the population although I have a feeling it's all in vain and it's already decided

Kind regards
