| Comments: | <p>This building would cause Wrotham Road to become more busy and create more issues. These are smaller roads not made for major areas of building causing safety issues.</p> <p>These natural habitat of local creatures will be built on meaning yet more native species will have their homes destroyed. It will change the feel of the village to more of a sprawling town rather than the historical village it is.</p> <p>There are not enough facilities to support these extra houses, schools doctors etc will be under pressure.</p> |

Kind regards
