Reasons for comment:	
Comments:	This proposed development on Green Belt agricultural land and the loss of any agricultural land is not good sustainable practice as this land should be used to contribute to food security. The site is adjacent to 2 schools and would have negative impact on vulnerable students particularly the autistic children at the Helen Allison School. The Longfield Road and Wrotham Road would be unable to cope with the increase in traffic. Our GP surgery is already overwhelmed by the current population.

Kind regards
