Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object to this planning application as the access to this site as access would be extremely dangerous as the Longfield roads already congested at school times with parked cars everywhere. The traffic volumes would only increase congestion and be dangerous.</p> <p>The noise and pollution caused by building would create pollution affecting the 2 adjacent schools. The noise and disruption would cause unthinkable stress to the severely autistic children at Helen Allison school and negatively impact their well-being.</p> <p>The site is high grade agricultural farmland.</p> <p>The overall development of all 3 Meopham proposed sites is destroying Greenbelt land which has it been released from the Greenbelt boundary.</p> <p>There is no infrastructure to support the developments and there is already strain on local services, such as NHS and education. Local side roads already get gridlocked if there are traffic incidents on nearby roads.</p>
