| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | I object on the grounds that the site is high grade agricultural land and farmed for centuries. As a consequence of building on this land this will contribute to a food shortage/production. Longfield Road is extremely narrow - parking at times is dangerous. HGV constantly use Longfield Road this again is to get to the weigh bridge at Green Street Green therefore using it as a cut through. This again is dangerous due to the narrow and volume. The proposed build is 120 houses this will potentially equates to 240 extra vehicles this in conjunctions with the proposed access adjacent to Helen Allison School which is a SEN school. The amount of houses and cars will be a danger to the school and the area. |

Kind regards
