Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed development on Green Belt agricultural land and the loss of any agricultural land is not good sustainable practice as this land should be used to contribute to food security. The proposed access to this development is positively dangerous. The Wrotham Road (A227) is at capacity without adding additional traffic. The development would involve the loss of mature trees and hedgerows and impact local biodiversity.

Kind regards
