Reasons for comment:	
Comments:	<p>I object to the construction of so many new dwellings on the basis it will have losing Green Belt forever and the additional load it will place on the already straining local infrastructure.</p> <p>The addition of the extra people that this development will bring into the village will put further strain on school places, Doctors surgeries etc.</p> <p>An already overloaded local road system with narrow country lanes the only alternative each time the main Wrotham Road A227 is restricted due to accidents or the frequent road works with temporary traffic lights causing chaos in the busy morning and evening times will only be further worsened.</p>

Kind regards
