Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the use of good agricultural land being used for building houses. The impact on a rural area is immense, the already busy roads specially around the site of 2 schools has a negative effect on the current population. We are a village which has farmers that contribute to feeding the nation. I understand the need for housing but it is too easy and too costly to the environment to use farm land.

Kind regards
