Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<ul style="list-style-type: none"><li>- Each house tends to have 2-3 cars, an extra 300-150 + cars for residents, contractors and service providers is impossible on size of roads</li><li>- Dangerous access onto what is a tiny rural lane, used by a huge number of cars already for its size as a cut through from various surrounding villages, or in the event of diversion or traffic. Too narrow for a lot of cars, let alone HGVs side by side</li></ul>

Kind regards
