Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Completely object to this application. - So much damage and destruction to to our lovely lanes where caravans have been brought through. Trees chopped down and damaged. - A huge increase in fly tipping - Aggressive behaviour from the new site towards the locals - The fact a convicted criminal is currently living there is causing much stress to the local families - The current application has already been breached with a large number of caravans already in place with frequent additions on a weekly basis!

Kind regards
