Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed development would put too much strain on the local infrastructure which is already struggling to cope with increased traffic with the likelihood of it getting worse in the coming years. Current facilities like the doctors surgery and other services are already finding it difficult to support the local community as it is. The area would be devastated if such a development went ahead.

Kind regards
