

This drawing is to be read in conjunction with all relevant design team specifications and drawings.

All dimensions are to be checked on site prior to commencement of work any discrepancies reported to the Project Architect.

All materials and components are to be handled, stored, protected, installed and finished strictly in accordance with the manufacturer's recommendations.

A circle with a vertical diameter. Two radii are drawn from the center to the upper-left and upper-right points of the circle. The sector formed by these two radii and the arc between them is shaded gray. The angle between the two radii at the center is labeled with the letter 'N'.
