Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am writing to formally object to planning application 20250604 concerning Cobham House Vineyard. I live in Luddesdown and this proposed development raises significant planning issues including unacceptable levels of noise, disruption to local tranquillity, increased vehicle traffic, and further encroachment on a protected rural landscape. It also appears to undermine the statutory protections afforded to the Kent Downs National Landscape (formerly AONB). I urge the council to consider the cumulative impact of these activities and to refuse this application.

Kind regards
