Application ref 20250193

The Old Police House Tanyard Hill Shorne Gravesend Kent DA12 3EN

Application for variation of condition 2 attached to planning permission reference number 20210975 for erection of single storey rear extension; to allow new plans showing roof height higher and white render finish to extension.

The Parish Council has no objection in principle, subject to there not being any significant and valid objections by neighbours.

The application is effectively seeking a retrospective planning permission, it having been realised that the previously approved plans were incorrect and that the build is different and also slightly taller than previously specified.
