Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The road cannot take or cope with any large vehicles that will be required for the works to be carried out . It will ruin the outlook of clerks cottage being the oldest property in Higham. It will also disturb nature. As I know once they get permission to build one property they will continue with further planning/building applications to build more, this is reflected within Giles Farm's previous submitted planning applications. It also appears that not all residents including myself have received a copy of the planning application and there is not a copy of this outside Giles Farm for all passers by / walkers to read and give their comments. The road has many horse riders , ramblers , dog walkers and cyclists of which will make it dangerous if this application were to be approved.

Kind regards
