Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the planning application to build 100 new and additional homes on the Drove Way, Istead Rise. My objection is mostly based on the shameful and unjustified proposal to build new homes on 'sacrificed' greenbelt land. I am a resident in Istead Rise and know the location Drove Way very well. The new and additional homes will devour unbuilt (greenbelt) land in perpetuity. Together with additional access & egress points for cars and other vehicles the proposed expansion of Drove Way housing will render the location permanently congested (& dangerous) with cars, delivery vehicles & lorries. It is noted that Gravesham Borough Council need to utilise their authority and refuse the application for the reasons set out above.

Kind regards
