Reasons for comment:

Comments:	The noise level is unbearable since this has opened and the reason being is that all the trees that lined the old site were removed or taken down. I invite any of council or Kendall themselves to come to my house and hear the noise made by men shouting and swearing at the top of their voices EVERYDAY and EVERY NIGHT, would the owner be happy if he lived next door to this? No he wouldn't and neither would his wife. Also the light pollution is ridiculous. They already have the floodlights on well over 10pm everyday!!! Again I welcome the council to come to my house and check! Also the amount of traffic and speeding down snelling Ave, to which I have already lost a cat due to a speeding driver. I brought my house in 2016 and with this football stadium next to it albeit I live at [REDACTED] [REDACTED] I believe will deprecate value. So to add a club house to the mix is a no, this would mean private parties and extra noise alongside an already noisy venue!!!
