Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am objecting to the development of another few housing developments as the area is already under strain with traffic. Schools are already full and waiting times at the doctors are all ready days if not weeks long . Also having new housing developments mean an awful lot more car emissions. People move into this area because of the green space for walking and a life choice for their children .Wildlife will be destroyed . This all has know benefit to Meopham village !

Kind regards
