Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Our town cannot support growth of this size, we already struggle with road works and school rush as it is. We must also, still be able to have natural greenery in our towns. Not every bit of land needs to be ruined with poorly built houses and people who don't care for the town and people in it, who have called this home for so long.

Kind regards
