## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>This is objection takes into account the three applications within a 2 mile radius that in total amount to 620 new homes.</p> <p>I object to this application for 150 homes which will create more pressure on the infrastructure and services in the Meopham/Sole Street Parish. Imagine another 300 cars using small roads. The A227 is already used as a cut through for cars/HGVs avoiding consistently bad traffic on the A2 in the mornings.</p> <p>This application along with the two others in the area,, will put a huge strain on our GP practice in Meopham as well as local schools.</p> <p>The population increase given the number of planning applications in this area is just not sustainable and should be rejected.</p> <p>This is greenbelt land and should remain so.</p>
