Why do you consider that a Lawful Development Certificate should be granted for this proposal?

For the reasons outlined above, we believe that the proposals comply with permitted development rights.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
