Reasons for comment:	
Comments:	Having lived very close by for many years, the traffic and parking in the area is becoming extremely bad. This application for a McDonalds will only add to the chaos. Let alone, the smell and stench from the fast food, we'll not be able to have our windows opened during the warmer months as well as not being able to hang out our clothes washing. The noise from the traffic and people will also add to the stress of the people living close by. The vermin, pigeons and rats will also be attracted. This area of Gravesend is quiet and peaceful and this establishment will lower valuations of properties. We don't need another fast food McDonalds in the area and this application must be rejected at all costs!

Kind regards
