Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I feel that this small village does not have enough infrastructure for the current residents. GP surgeries are at capacity. Norwood lane is narrow and emergency vehicles get halted by oncoming traffic regularly so additional traffic will increase this. Additional traffic will also increase pollution to our countryside and wildlife. We need open land to act as a carbon sump. Surely green belt was meant to stop the urban sprawl so that natural habitats can be protected.

Kind regards
