| Comments:            | <p>I object to these houses being built in our beautiful area.</p> <p>The construction and destroying of the land will affect our wildlife's habitat.</p> <p>There is no infrastructure in place for these homes being built. There are not enough drs surgery's, schools , hospital for locals as it is.</p> <p>With the minimum of 1400 new people to the area this will only make it worse for everyone to be able to use these.</p> <p>There will also be a minimum of 740 cars in this area with the new builds which will only cause further problems on our very busy main roads and cause congestion on the small roads.</p> <p>The construction vehicles on our small roads will only cause problems to the roads and damage the already poor road surfaces with pot holes or damage any potholes that have been repaired.</p> |
