Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This would absolutely ruin the area, it would put a massive strain on local infrastructure and services, it's already busy enough. We need to keep the county side and villages as they are. Especially with lower Thames crossing going in and more houses being added. We need to protect our green land, the application was rejected in the 80s and should be rejected now

Kind regards
