Reasons for comment:	
Comments:	This development will compromise the feel and values of our village. I moved to a rural area by choice and this development will spoil the countryside. We are already bursting at the seams. The roads are often flooded and I cannot get parked at the shops, nor in the "overspill" car park on school close. So much so that I rarely bother with Camer Parade Shops. The traffic at school pick up and drop off is already horrendous and this will add to an already compromised traffic flow.

Kind regards
