Reasons for comment:	
Comments:	I strongly oppose the proposed McDonald's in this residential area. It would increase traffic significantly, creating congestion and safety risks-particularly for local school children who walk nearby. Additionally, placing a fast-food outlet here sends the wrong message about health and wellbeing in a community setting, especially given the impact on young people. Maybe something more upmarket like a Nandos. This area should prioritise a safe, quiet environment for residents and families, not increased traffic, noise, and unhealthy influences. I urge the council to reject this application.

Kind regards
