Dear Sir/Madam,

Proposal: Erection of a single storey rear extension and first floor extension over existing garage. Conversion of garage into habitable rooms, erection of an outbuilding to the rear and detached double garage to the front.

Site: 20231043: - Westwood, Whitepost Lane, Culverstone, Gravesend, Kent, DA13 0TW.

Thank you for your letter dated 20 October 2023.

Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

Our initial investigations indicate that there are no public surface water sewers in the area to serve this development. Alternative means of draining surface water from this development are required. This should not involve disposal to a public foul sewer and should be in line with the Hierarchy of H3 of Building Regulations with preference for use of soakaways.

gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

Please note: There is a private foul sewer and communication pipe within the development site.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).

Website: southernwater.co.uk or by email at: SouthernWaterPlanning@southernwater.co.uk

Yours faithfully,
