Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Our property backs onto the school field and we currently have two football pitches 10 yards from our garden fence. These are used most Saturdays and Sundays, plus weekday evenings in the summer when there seems to be a football camp of sorts. There is a great deal of shouting and noise which we are not opposed to as it is great for the children to engage in sport. However I would suggest that these events are visited by the planning officers on a regular bases to observe the noise levels that are reached. The participants are small children so it is mainly just noise, not bad language. The timings are okay so we have do not feel we can complain, however with this in mind the opening times should finish as 8pm at the very latest. The proposal is right next to a Care Home and should never be given permission for use in the evenings. Therefore I object to this application as we know that the times will always be abused and extended. I also oppose the use of Floodlights after 8pm as these will be very disturbing for the Care Home residents as well as all the local houses. Has the school not got an indoor sports hall or gymnasium that can be used in the evening?
