| Comments: | <p>I would support this application as unlike the many large developments currently proposed in the local area it does not impinge on greenbelt farm land and is sited on a small privately owned plot. Splitting gardens to erect new housing is commonplace in the Sole Street / Cobam / Meopham area.</p> <p>The development proposed is of modest dimensions but would provide additional housing for the local population that we are told is needed. Also being a bungalow it is suited to the more elderly end of the spectrum and with its very close positioning to the railway station and local shop is ideally placed for that age group.</p> |
