Development Plan

Gravesham Local Plan Core Strategy (September 2014):

- CS01 – Sustainable Development
- CS02 – Scale & Distribution of Development
- CS12 – Green Infrastructure
- CS18 – Climate Change
- CS19 – Development & Design Principles

Gravesham Local Plan: First Review (1994)

- P3 – Vehicle Parking Standards

Paragraph 33 of the NPPF (2023) sets out that policies within adopted local plans should be reviewed to assess whether they need updating at least once every five years, and should then be updated as necessary. Such reviews are also a legal requirement as set out in Regulation 10A of the Town and Country Planning (Local Planning) England Regulations 2012.

The Council undertook such a review in September 2019 and found that the adopted Local Plan Core Strategy is in need of a partial review in terms of Policy CS02, due to the increased need for housing since the Local Plan Core Strategy was adopted and the need to ensure that a sufficient land supply exists to meet this need. Whilst saved policies from the Local Plan 1st Review (1994) generally conform with the NPPF (2023), the Council will also seek to replace these.

National Planning Policy Framework (2023)

- Section 2 – Achieving Sustainable Development
- Section 4 – Decision-making
- Section 11 – Making effective use of land
- Section 12 – Achieving well-designed and beautiful places

Supplementary Planning Guidance

- 2 - Residential layout guidelines including Housing Standards Policy Statement October 2015 Adopted 1996 – amended June 2020;
- Technical Housing Standards – nationally described space standard (2015);
