Application Reference: 20251233		Case Officer: Adeoye Lawal	
Location:	Land at Rose Farm, Downs Road, Istead Rise, Gravesend, Kent		
Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)		
I am:	Member of the Public (Age 18 or above) ☒	Other: RESIDENT	
My Title & Full Name: [REDACTED]			
My address & postcode: [REDACTED] CASTLEFIELDS ISTEAD RISE DA13 9ES			

I wish to **object** to planning application number **20251233** for the reasons stated below:

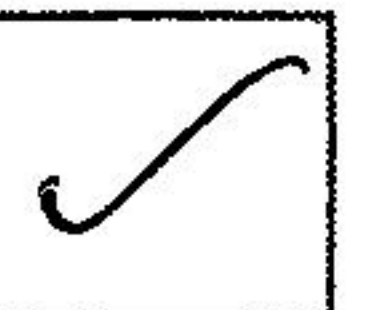

- Increased traffic in Downs Road and parking as it is a bus route just a few weeks ago a car had an accident and ended up on its roof. Danger for children walking to school.
- Loss of Green Belt land and farming land. Not so long ago Gravesham Council were bragging about the amount of Green land we had in Gravesham it will be one more farm less.
- More pollution from buildings and cars longer carbon foot print for the area.
- The building in Worcester Close has caused enough disturbance removing trees from a Green area water running down the road since work started all day and night 7 days a week.
- It's more pressure on doctors and Dentists.
