I wish to object to planning application number **20251233** for the reasons stated below:

This application is totally out of character for a village atmosphere.

The position would destroy the village envelope as well as impact dreadfully on the school. and It would also add problems to the traffic and travel within the village. Not to mention the impact on the A227. ~~Ita~~

There would also be problems with water, which is always a problem in the summer as it is quite common for drought to strike and the whole PTO.

community to be restricted with a hosepipe ban. This is also a valley and could cause problems with flooding.

The schools in this area are fully subscribed to at the moment as are the doctors ~~surgeries~~ surgeries.

I would implore you to rethink all these plans and leave our villages to be villages and not a continuation of the towns.
