I wish to **object** to planning application number **20251233** for the reasons stated below:

Traffic! This road is already dangerous to drive along due to the increased amount of cars. Adding 300 Plus cars is madness as the infrastructure does not support this.

I have lived here [REDACTED] years [REDACTED] the local primary school which was a lovely place to learn but the dangers of allowing this building plan to go ahead would make it awful for parking and pedestrians.
