

20221057 St Peter And St Pauls Church

KCC Heritage

My apologies for the delayed response to this consultation.

I can confirm that I would be happy for the submitted WSI by Canterbury Archaeological Trust to be approved and for the archaeological monitoring to be undertaken on this basis. I recommend that the planning condition is not discharged in full until completion of the archaeological work and the submission of a report on the findings to Gravesham Borough Council.

I hope that this is helpful.
