Reasons for comment:

Comments:	<ol style="list-style-type: none">1 It is difficult to get an appointment at the Istead Rise surgery now . With potentially 360 more people on the patient list it would be impossible.2 With 154 more properties say potentially double the amount of car traffic in the village would be increased considerably and make access onto the two articular roads, the A227 and Newbarn road much more difficult.3 To build on green belt would create a precedent for more building around the area totally unacceptable.4 If approved the resulting construction work would create havoc in the village.5 We are a compact happy village who need more people in the area. Another 360 would be very disruptive.6 The local school would be affected
