Reasons for comment:	
Comments:	<p>This proposed new development on in Downs Road will be detrimental to the area. The roads around the proposed site are just not suitable for extra traffic that will be generated either during or post development</p> <p>It is already difficult to get an appointment at the GP surgery</p> <p>The hospital is already bursting at the seams</p> <p>The bus route on the estate is totally unreliable</p> <p>The train stations at Meopham or Gravesend are not within walking distance</p> <p>The will probably be huge disruption for the wildlife and fauna on the site</p> <p>The local primary school is situated next to the site so the children could be very vulnerable from increased traffic</p> <p>Dust and noise increased both during and after for local residents</p>

Kind regards
