| Comments: | <p>I strongly object to this unbelievable application to build on this stunning GREENBELT Land which is full of all wildlife, animals, birds, insects and even a farm !</p> <p>ISTEAD RISE can't possibly sustain the invasion .Our schools, hospitals, roads, doctors, traffic and pollution, noise and lack of infrastructure won't be able to cope.</p> <p>No local need and once started will lead to even more house</p> <p>My family and grandchildren all live in ISTEAD Rise and so I'm a constant visitor and have been for many years</p> |

Kind regards
